being considered by members of the state board of education for appointment to the presidency of the Central Normal school at Edmond, according to informa-tion obtained from a thoroughly reliable source in statehouse circles Saturday

recent informal meeting of the board, at which Mr Wilson was not present it is understood, he was sug gested for president of the institution, and following this a tentative proposi-tion was made to him, which be now, has under advisement

The school at Edward is the largest normal in the state. Charles Evans is now president of the institution, but he has resigned, effective at the close of the present school year, to accept the presidency of Henry Kendall college at Tubea.

Peculiarly Qualified. Because of his wide acquaintance, his knowledge of school affairs and the executive ability he has displayed in the development of the state's educational system during the time he has been state superintendent, Mr. Wilson is believed by some members of the board to be unusually well fitted for the place

The position at present pays \$1,000 a year, which \$ \$500 mere than the salof the state superintendent.

fr. Wilson was re-elected in the last general state election for a four-year the Edmant normal he will be rained by Beat the Governor Williams.
